EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Michael on 9 January 2006.

2. The application has been amended as follows:

(a) Claim 1 page 32 line 9, "a" has been changed to – the –.

(b) Claim 1 page 32 line 14, "object to be measured such as a desired: has been deleted.

(c) Claim 2 page 34 line 13, "object to be measured, such as a desired" has been deleted.

(d) Claim 3 page 37 line 14, "a desired object to be measured, such as" has been deleted.

Allowable Subject Matter

3. Claims 1-9 are allowed.

4. The following is an examiner's statement of reasons for allowance:

Claims 1-9 are allowable over the prior art because an interactive demonstration method for a measuring instrument using a network, comprising the steps of: identifying a user obtaining access to a measuring instrument information providing server from a user terminal of the user on the bases of a customer database incorporated in the measuring instrument information providing server; and causing the user terminal to deliver to a predetermined measuring instrument terminal via the network an operational command that contains measurement items and measuring conditions of interest to the user which are operated and inputted at the user terminal, in addition to the demonstration information in order to measure the properties of the desired object to be measured, thereby switch-connecting the desired object to be measured to the predetermined measuring instrument based on the delivered operational program is not found, taught or suggested in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
